It is with great pleasure that I present to you the Arkansas State Board of Nursing's 2013 Annual Report. This report reflects the Board of Nursing's activity from July 1, 2012 through June 30, 2013.

The mission of the board of nursing is to protect the public and act as their advocate by effectively regulating the practice of nursing. The Arkansas State Board of Nursing is composed of 13 board members. In accordance with state statutes, there are seven registered nurses (RNs) on the board. Of these seven RNs, one is an advanced practice registered nurse with prescriptive authority; two have (as their highest educational preparation) a diploma, two have an associate degree and two have a baccalaureate or higher degree in nursing. There are four licensed practical or licensed psychiatric technician nurses and two consumers, one of which represents the elderly population. The agency consists of an administrative staff of 27 hard working and dedicated individuals.

The Board is involved in nursing regulation on the local, state and national levels in order to address the ever-changing needs of the citizens of Arkansas. The annual report reflects the myriad of activities conducted by the Board and its staff in their commitment to fulfilling the mission of public protection. As you read this report, I hope that you find the information informative and useful.

## BUDGET

The Arkansas State Board of Nursing does not receive appropriations of general revenue from the state. Nurse licensure fees constitute the agency's primary financial support. The FY 2013 total revenue was \$2,739,239.72. Expenses for the fiscal year totaled \$2,695,136.76. Total revenue and expenses includes Board of Nursing operating fund, nursing student loan fund, continuing education workshop fund and criminal background check fund.

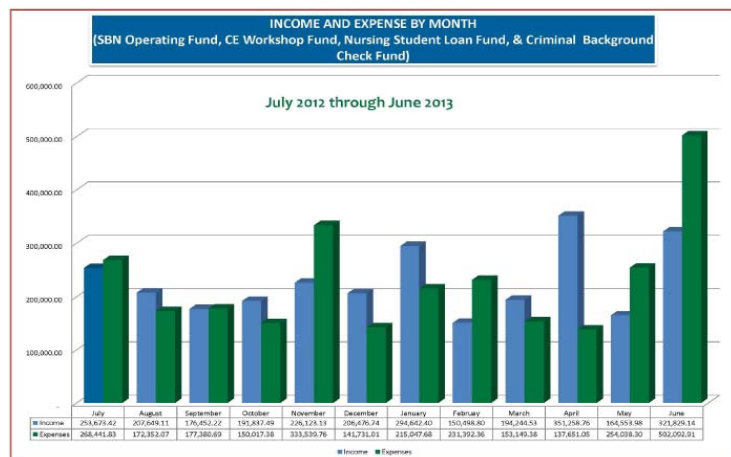

The Board is required to pay 1.5 percent of revenue fees to the Treasury of the State of Arkansas. These funds are credited to the State's General Fund for appropriation to various other agencies and services of state government. The Board paid \$41,697.66 to the General Fund for FY 2013. The financial statements and graphs on the following pages reflect the breakdown of revenue and expenses for the fiscal year 2013.

The Nursing Student Loan fund, titled the Faith A. Fields Nursing Scholarship Loan, is a separate fund used only for the purpose of providing loan/scholarships to nursing students and nurse educator students. The program is funded by donations that are deposited into the designated fund. From these funds, nursing students are awarded loans that can become scholarships if they work in the state of Arkansas for one calendar year after graduation and licensure.

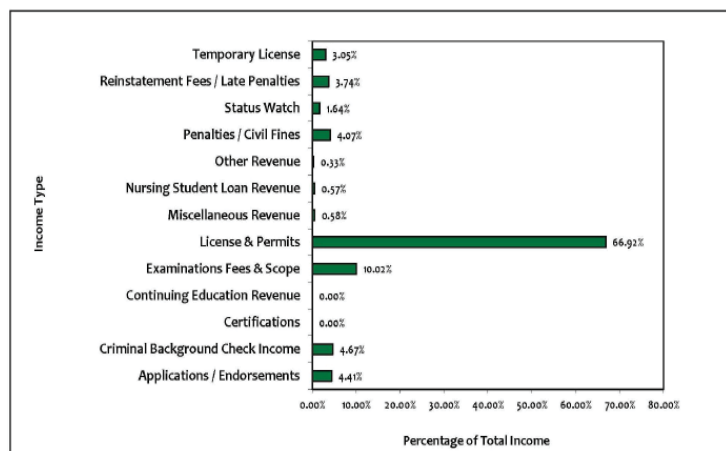

The Continuing Education fund is also a separate fund that allows the Board of Nursing to collect registration fees for the educational workshops provided by the Board of Nursing. The designated funds from the registration fees are used to offset the costs associated with providing this service.

The Criminal Background Check fund is a separate cash fund the Board uses to collect and submit payments for the federal and state criminal background checks for applicants and employees. This fund was established to allow ASBN to run the background checks online. Online processing shortens the time to receive the results and speeds the application process.

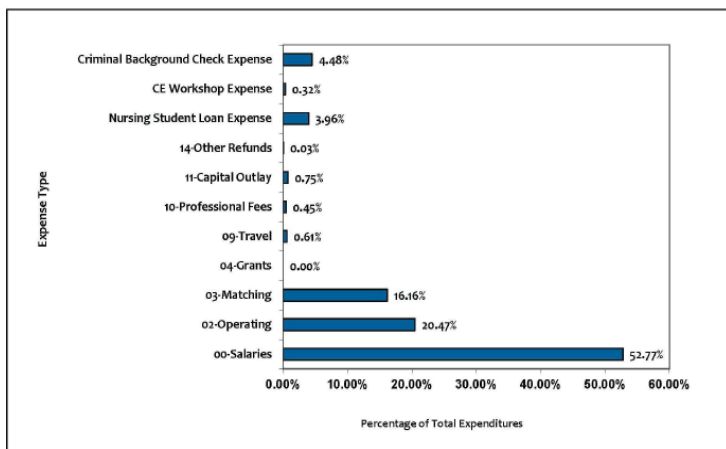

The ending balance in the operating fund as of June 30, 2013 was \$2,611,462.82. The balance in the NNB (Continuing Education Workshop) Fund was \$42,168.00. The balance in the NNB (Nursing Loan) Fund was \$293,539.56. The balance in the NNB (Criminal Background Check) Fund was \$14,692.09.

### Faith A. Fields Scholarship/Loan

**Table 1 : Award Amounts by Fiscal Year**

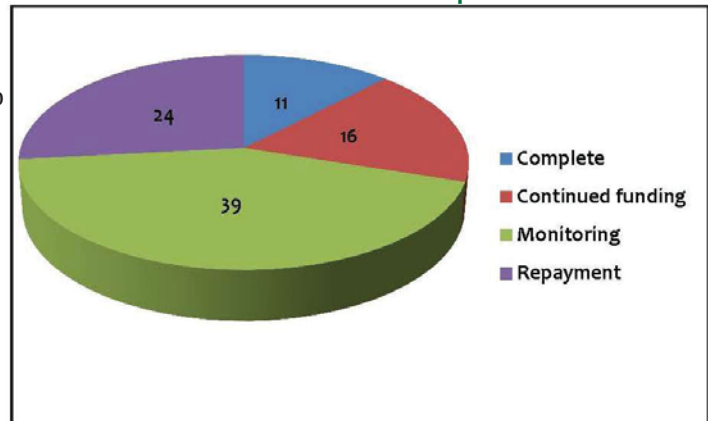

depending on the balance in the scholarship account. Table 1 identifies the total scholarship funds awarded for the past four fiscal years. As noted in Table 2, eleven recipients have completed the terms of their scholarship by practicing in Arkansas for the required time period. The majority of recipients, 43 percent, have graduated from a nursing program and are being monitored to ensure compliance with the practice requirement. Currently, there are 24 individuals required to repay their scholarship/loan

During the past fiscal year, donations and interest totaling \$15,498.27 has been added to the scholarship

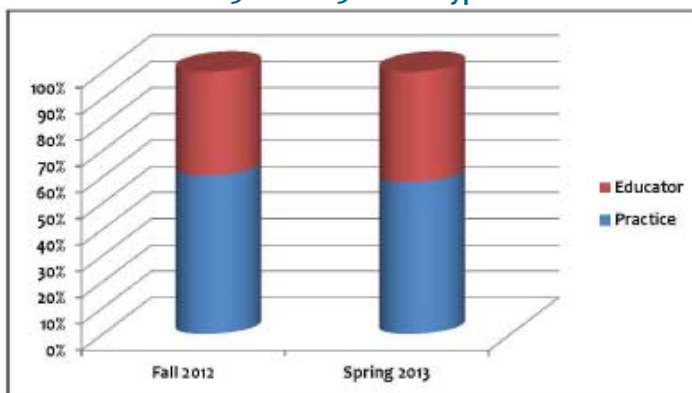

In 2009, Act 9 was passed which authorized additional funding for the nursing student scholarship/loan program. To be eligible for the scholarship/loan, the applicant must be an Arkansas resident enrolled in an accredited nursing program. Each scholarship recipient may be awarded up to \$20,000, which is distributed over multiple semesters. In order to be exempt from repaying the money, the recipient must agree to work in the state of Arkansas, one year for each year money is awarded. Individuals who fail to meet this requirement must repay the scholarship.

Since 2010, a total of ninety (90) individuals have been awarded a Faith A Fields Scholarship. The total scholarship funds awarded each fiscal year varies

fund balance. Thirty-eight individuals were awarded a scholarship for the Fall 2012 semester and thirty-one of those students continued in their nursing program and received additional funding for the Spring 2013 semester. Table 3 represents the percent of scholarships by type (educator or practice) awarded each semester during fiscal year 2013. As noted in Table 4, the scholarship recipients for fiscal year 2013 attend various types of nursing program with the majority enrolled in a bachelor's degree program.

# Disciplinary Action by the Board of Nursing

One of the methods used by the Board of Nursing to insure protection of the public is to cause the prosecution of persons violating provisions of sections 17-87-101 through 17-87-402 of the Arkansas *Nurse Practice Act*. The following is the order of disciplinary proceedings against nurses in the state of Arkansas:

## LETTER OF COMPLAINT RECEIVED

Reviewed by Board Staff	→	Request a formal investigation Gathers additional information Determines additional information not needed Determines charges of violation of <i>Nurse Practice Act</i>
General Counsel reviews complaints and investigative information	→	Determines whether disciplinary action should be pursued.

## IF DISCIPLINARY ACTION IS PURSUED, THIS CAN BE ACCOMPLISHED IN ONE OF TWO WAYS:

### CONSENT AGREEMENT

The Board staff determines the violations and proposed stipulations. Board Attorney draws up a legally binding agreement.

The licensee receives a copy of the Agreement, agrees to the terms, including waiving their right to a hearing before the Board, signs the agreement, and returns it to the Board office. (If the licensee refuses to sign the agreement, the Disciplinary Hearing process begins.)

Board attorney and a staff witness sign the Consent Agreement and forward it to the Board.

Board President signs the Consent Agreement following a majority approval by the Board.

### DISCIPLINARY HEARING

The General Counsel files formal charges. This may be done initially or after the licensee refuses a Consent Agreement.

#### Disciplinary Hearing is Held

If the Board finds the nurse violated the *Nurse Practice Act*:

Disciplinary Order  
The Board issues an Order setting forth the discipline. (reprimand, probation, suspension, revocation or limitation)

If the Board finds that the conduct which was charged did not occur or that the conduct which did occur is not a violation of the *Nurse Practice Act*, the case is dismissed and no further action is taken.

The Order becomes effective the day it is signed.

#### Appeal

The licensee may appeal this decision to the circuit court of the county in which he or she resides or the Circuit Court of Pulaski County, AR.

## ADVANCED PRACTICE

Per the legislative process, updates were made to the *Nurse Practice Act* and Chapter 4 Rules.

Effective January 1, 2013:

- All four APRN roles (CNP, CRNA, CNM, CNS) require successful completion of a nationally accredited graduate or post-graduate APRN program.
- The ASBN will notify the appropriate certifying agency when an APRN has disciplinary action taken on their license or privilege to practice.
- Endorsement applicants and individuals who are applying for reinstatement (of their APRN license) who have been out of practice for more than two years must provide evidence of completion of an APRN nursing refresher course (approved by the ASBN) or an extensive orientation which shall include a minimum of 200 hours of a supervised clinical component with a qualified preceptor.
- Regarding termination of a Collaborative Practice Agreement (CPA), the APRN shall notify the ASBN in writing within seven days following termination of the agreement.
- The format for prescriptions was updated to include requirements for written and electronic prescribing. All prescriptions shall contain:
  - Name of the patient
  - APRN's name, title, address, phone number, and signature with "APRN"
  - In addition to the prescription information contained in Chapter 4, Section VIII, D. (medication, strength, dose, amount, directions for use, number of refills).
- A section was added (Section IX) to the Chapter 4 Rules for "Prescribing Guidelines for Anorexiant Drugs."

## LICENSURE

The *Nurse Practice Act* requires that any person practicing as a(n)

- Registered Nurse
- Advanced Practice Registered Nurse
- Registered Nurse Practitioner
- Practical Nurse, or
- Psychiatric Technician Nurse

in this state shall be licensed by the Arkansas State Board of Nursing. Legislation enacted in 1979 authorized the licensing of registered nurse practitioners. Act 409 of 1995 created advanced practice nurse licensure. This licensure includes the previous categories of certified registered nurse anesthetist and certified nurse midwives and adds licensure of advanced nurse practitioners and clinical nurse specialists. Appendix B gives totals of nurses licensed in Arkansas by licensure category and county of residence. The information is derived from questions that are completed on the licensure renewal forms. Incomplete data indicates that the licensee did not provide that information.

### Advanced Practice

The table below lists the numbers of Advanced Practice Registered Nurses granted initial licensure and endorsement in Arkansas during the reporting period:

Advanced Practice Registered Nurses Licensure July 1, 2012 - June 30, 2013	
Certified Nurse Practitioners	184
Certified Registered Nurse Anesthetists	52
Clinical Nurse Specialists	12
Certified Nurse Midwives	4
<b>TOTAL</b>	<b>252</b>

### Advanced Practice Prescriptive Authority

Act 409 of 1995 gave the Board authority to grant certificates of prescriptive authority to qualified advanced practice registered nurses. Advanced Practice licensure categories and numbers of licensees granted a certificate of prescriptive authority during the reporting period are identified below:

Advanced Practice Registered Nurses Granted Prescriptive Authority July 1, 2012 - June 30, 2013

## EXAMINATIONS

Licensure examinations for registered nurse and practical nurse candidates are administered via computerized adaptive testing. State boards of nursing contract with the National Council of State Boards of Nursing (NCSBN) for these examinations. In Arkansas, tests are administered by technology centers located in Little Rock, Fort Smith and Texarkana. A candidate may test at any center nationwide or internationally for licensure by the Board that provided authorization to test.

The licensure examinations have one purpose: to test knowledge, skills and abilities essential to the safe and effective practice of nursing at the entry level. The use of national RN and PN examinations facilitates licensure by endorsement from one jurisdiction to another. The passing standard is set by a panel of practicing nurses who are knowledgeable of entry-level nursing practice. Membership on the panel is open to all NCSBN jurisdictions. Examination results are reported to boards of nursing and to the candidates as either “pass” or “fail”. Unsuccessful candidates are provided with a performance report that gives information on areas for remedial study.

The Board participates in the test development system administered by the testing service of the NCSBN. The Arkansas Board approves practicing nurses to participate in RN and PN item writing, item review, and standard-setting panels.

Graduates of an approved nursing program are eligible for licensure in Arkansas after passing the National Council Licensure Exam (NCLEX®). The number of registered nurse and licensed practical nurse licenses issued by examination is shown in the following table:

Licensure by Examination July 1, 2012 - June 30, 2013	
Registered Nurses	1,647
Practical Nurses	1,044

## ENDORSEMENTS

Pursuant to the *Arkansas Nurse Practice Act*, the Board may issue a license to practice nursing by endorsement to an applicant who is duly licensed as a nurse under the laws of another state, territory or foreign country if the applicant meets Board qualifications. Applicants for endorsement must have successfully completed a nursing education program, the appropriate NCLEX®, and must be verified by the jurisdiction of original licensure. In addition to these requirements, advanced practice registered nurses shall have documentation of current unencumbered advanced practice license/authority to practice in another jurisdiction. Nurses licensed in Arkansas by interstate endorsement from each state during the reporting period are shown in the following tables:

## MEDICATION ASSISTANTS - CERTIFIED

Act 1423 of 2005 gave the Board authority to grant certification to qualified unlicensed persons to administer certain medications in facilities determined by the Board. The Board decided to allow medication assistants only in Arkansas nursing homes in which nursing supervision is available and nurse patient ratios are legislatively required. This authorization included persons who have met certain qualifications in Arkansas or who have met substantially similar qualifications and held similar credentials under the law in another state. In addition, in 2007, persons who have completed a certain portion of a nursing education program may be eligible to take the certification exam and work as a certified medication assistant if successful. The numbers of medication assistants granted certification in Arkansas during the reporting period is shown in the following table:

## RENEWALS

The *Nurse Practice Act* requires biennial license renewal for practicing nurses. Renewal reminders are mailed at least thirty days before the license expiration date. Nurses who allow their licenses to lapse and who have not practiced nursing during the preceding licensure period may be reinstated upon request, payment of the renewal fee and late penalty, and after meeting the continuing education requirements. Nurses who do not renew are in good standing as long as they do not practice nursing in Arkansas. Legislation to require continuing education prior to license renewal was passed in the 2001 Legislative session.

A retired license shall be renewed biennially following submission of a retired renewal application and fee. While retired, the licensee shall not practice nursing. However, the nurse may use respective credentials. When the licensee desires to resume practice, he or she shall request a renewal application, which shall be completed and submitted with a reinstatement fee and the active renewal fee. If the retired license is allowed to lapse, the licensee shall not hold himself or herself out as an RN, LPN or LPTN, and pays a reinstatement fee in addition to the fee required for renewal of the retired license.

## TEMPORARY PERMITS

Temporary permits may be issued to Arkansas licensed nurses who are graduates of a nursing program. This permit allows a nurse to practice between graduation and receipt of results of the first examination for which the licensee is eligible. The number of temporary permits issued during the reporting period is shown in the following table:

## CONTINUING EDUCATION

Continuing education for license renewal and reinstatement was mandated by Act 86 of the 2001 Arkansas legislative session. The regulations were put into effect beginning July 1, 2003. Random audits for compliance with the continuing education requirements are conducted each month. One hundred sixty-two nurses were audited with a 97.5 percent compliance rate. Four Letters of Warning were issued for meeting the continuing education requirements after the nursing license was renewed. No Letter of Reprimands were issued for failing to meet the continuing education requirements. The Arkansas State Board of Nursing staff conducts continuing education workshops on a regular basis throughout the state as included in the Continuing Education Workshop table below.

## EDUCATION

Federal and Arkansas criminal background checks are required of all individuals applying for an initial license in Arkansas. During the 2012-2013 fiscal year, 4,551 Arkansas criminal background checks and 4,300 federal criminal background checks were entered into the board's database. There were 713 investigations completed on applicants with a positive criminal background check.

The roster of ASBN approved medication assistant and nursing programs which lead to licensure or certification is included as Appendix A of this report.

Enrollment in the educational programs is reported to the Board in a report submitted by program directors annually in December. Enrollment figures reported for the three-year period (2010-2012) are shown on the following pages of this report. For consistency in data collection, the term "nursing major" was defined in 1993. Nursing major includes only those students in nursing courses and accepted for the degree or diploma program.

## EDUCATION

The Arkansas State Board of Nursing has statutory authority to oversee nursing educational program compliance with mandated regulations and educational standards as established by the Arkansas legislature. A nursing program that is approved initially progresses through a three- tiered process of approval that includes Prerequisite Approval, Initial Approval and Full Approval.

A nursing program that is approved continues to be reviewed for continued compliance with the educational standards as delineated in the Rules. The staff periodically conducts a program review to verify compliance. A new program has an on-site survey three (3) years after initial full approval. Established programs have an on-site survey every five (5) years or if they have continued accreditation status from a national nursing accreditation organization and maintain a National Council Licensure Examination (NCLEX®) passage rate of 75 percent or higher; they are allowed to submit a paper survey to ASBN versus an on-site review. There are two (2) approval designations for established programs that prepare graduates for licensure that include Continued Full Approval and Conditional Approval.
